Dirt, Gravel & Low Volume Roads Grant: Nothing has been received but our Township was not listed in the newspaper as being one of the ones that had been awarded the grant. The secretary was instructed to contact Brooke from Soil Conservation to inquire about the status of the application.

Multimodal Grant: Bill and Kevin had met with Byron Stauffer from Planning & Development and Joe Pittman. They suggested that the Township seek help with funding for the paving and culvert project on Cush Creek & Henry Roads by contacting John Poproch from PennDot and obtaining money through County Aid and to bid it out as soon as possible. The secretary was instructed to contact Mr. Poproch about applying for County Aid.

Citizens Ambulance: No one has gotten back to Bill about using the meeting room at Hillsdale Construction so as to put this off further Bill suggested that they just ask if someone from Citizens could come to one of our meetings and if the other Townships are interested they can attend. Kevin motioned to contact Citizens to have them attend one of our meetings, second Bill, carried.

Ball Park Road: Kevin and Officer Sacco met with the resident on Ball Park Road who had been blocking the roadway with his vehicles. He was very nice and promised it wouldn't happen again, so far the vehicles have remained off the road.
