The butterfly release is a unique way to remember and/or honor your loved ones. For every donation of \$25.00 you will be given a beautiful butterfly to hold and set free. If you are unable to attend, we will release your butterfly for you. Please order early. A very limited number of butterflies will be available at the event for \$30.00. Light refreshments will be served.

If you are picking up your butterfly to release at a different location please arrive between 12 p.m. and 1 p.m. We recommend bringing a small cooler with an ice pack to properly store the butterfly prior to release. Your response by June 16 will assure inclusion in the event program.
